Baja Bible Institute

C/O Mayfair Church of Christ

1095 Carl T Jones Drive | Huntsville, AL 35802

City of Children, home of Baja Bible Institute
Ensenada, Mexico

Baja Missions began in 1996 as a mission outgrowth from the City of Children in Ensenada, with a mission of establishing and support new congregations of the Church of Christ throughout Baja, Mexico. Each of the congregations that have been established is sponsored by a sister congregation in the United States. Baja Missions continues to supply aid to the churches in Baja, providing support and resources to the ministers, church leaders and members. Each year, numerous mission teams visit the Baja churches to provide spiritual support, medical aid, benevolence, edification and encouragement. We are earnestly seeking to follow God as He leads us to new, exciting opportunities in the Baja. Your congregation's help is needed! If you would like the opportunity of a lifetime to serve, edify, and partner in the gospel with a sister congregation of Baja, we ask that contact us.

The Mayfair Church of Christ elders oversee the work of Baja Missions, Inc., a 501(c)3 nonprofit corporation established to continue the good work God has begun in Baja.

OUR MISSION: TO INSPIRE AND TRAIN THE NEXT GENERATION OF LATIN AMERICAN SERVANT LEADERS.

From a small mustard seed of faith the Baja Bible Institute has grown into a dream fulfilled. With a population of over three million souls in Baja, Mexico, tomorrow's evangelists and leaders of the Lord's church have a mission field that is truly white unto harvest. "The harvest truly is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest." Luke 10:2

CORE CURRICULUM

BBI's two year core curriculum equips students to be firmly grounded in the Word of God and provides opportunities for students to develop their talents and abilities for serving the Lord's church. This balance of Biblical studies and personal spiritual formation prepares BBI graduates to effectively lead the Lord's church as preachers, teachers, youth ministers, deacons, elders and servants.

SERMON PREPARATION

Courses in sermon preparation and expository preaching as well as practical speaking experience in established Baja congregations prepares students to effectively communicate the Word.

TEACHING

Courses on teaching principles, the synoptic gospels, in-depth studies of scripture and church history provide BBI students with foundational tools needed to become knowledgeable Bible teachers.

EVANGELISM

Biblical evangelism courses, studies on the church of the New Testament and mentoring relationships with experienced ministers empowers students to

carry the gospel message throughout Mexico and into Latin America.

SPIRITUAL FORMATION

BBI students delve deeply into their own personal spiritual formation with topics such as "Growing To Spiritual Maturity" and others.

FAMILY GUIDANCE

Courses such as "Human Relationship Development" equip BBI students with core skill sets for handling the complex issues of families today.

CONFLICT RESOLUTION

Excellent communication skills, conflict management training and mediation strategies will aid tomorrow's ministers and elders in maintaining peace and unity in the church.

SERVANT LEADERSHIP

All BBI courses follow the example of Jesus Christ as a "servant leader."

"THE SPIRIT
OF THE LORD
IS ON ME,
BECAUSE HE
HAS ANOINTED
ME TO PREACH
GOOD NEWS TO
THE POOR"
ISAIAH 61:1

THE DIRECTOR

Brother Liberato Ovalle serves as Director of the Baja Bible Institute, and brings a lifetime of valuable experience. Since 1992, he has served as the official representative for Churches of Christ to the Mexican government, a highly respected and prestigious position. With over 30 years experience as gospel preacher, teacher and academic advisor for various Bible schools and institutes in Mexico, his extensive church leadership throughout Mexico make him an invaluable asset to the church.

He and his wife, Elodia, have been married since 1976 and have two children and four grandchildren. She is an active part of the instruction and guidance of preacher's wives, offering a lifetime of experience in ministry.

DISTANCE LEARNING

Virtual, distance learning technology is a relatively new concept to many areas in Baja and opens up endless possibilities for BBI students to have experiences previously unavailable to them in schools and colleges. A variety of technologies are being made possible by partnerships with Christian colleges and schools of preaching in the US. Students at BBI enjoy learning opportunities via self-paced tutorials, instructor-led classes, and streaming video.

GLOBAL FACULTY

Baja gospel preachers as well as ministers and scholars from the US serve as global faculty. Guest speakers will facilitate workshops and provide training for students. Distance learning technology allows for limitless possibilities to bring the church's best Biblical scholars and educators to BBI students.

PRACTICAL EXPERIENCE

Students are required to complete two practicum models during their training. Internships will be arranged with established Baja congregations as well as mentoring relationships with experienced ministers.

ADMISSIONS

Faithful christian applicants are interviewed for suitability to enter the program. A high school diploma is required. Both single and married students are accepted.
